NOTES

1. The LCS defines public service organisations as those that are not commercially oriented and deliver services for the benefit of the public or society on a not-for-profit basis.
2. Fees shown are exclusive of VAT.
 - Note: VAT will not normally be applicable when the accredited organisation is based and provides services outside the UK.
3. Accredited public service organisations can issue LCS Level 1a Certificates at no additional fee, provided they register to issue a minimum of 100 certificates per annum at 1b or above. The maximum number that can be issued will be agreed during the accrediting process.
4. The two-year fee is payable when accreditation has been granted.
5. There are no fees payable other than the accreditation fee.
6. For newly accrediting organisations, **50%** of the accreditation fee is payable immediately after registration.
