

Accrediting Process Summary

Accreditation signifies your training programme is KCS aligned, well organised, professionally delivered and technically robust.

The accredited organisation:

- ✓ Can accredit to any number of the seven KCS levels
- ✓ Can change levels covered or certificate volumes at any point
- ✓ Has a two year licence (renewable)
- ✓ Pays a fee based on the levels to which accredited
- ✓ Issues personal KCS certificates to learners
- ✓ Is committed to maintaining standards and improving its training programme
