Continuous learning, professional development

Now that you have been awarded your Certificate of Lean Competency, you are eligible for LCS Practitioner Membership - a free benefit that will provide opportunities for your ongoing lean learning and professional development.

It's centred on an exclusive website and app where lean thinkers can come together to communicate ideas, discuss issues, find information and solve problems.

The benefits of LCS Practitioner Membership

- ✓ Collaborate with fellow practitioners and find help in solving problems
- ✓ Access resources to help in teaching and applying lean thinking
- ✓ Learn about new thinking, tools and techniques
- ✓ Promote your ideas by publishing articles
- ✓ Find out about lean events or advertise events you are organising
- ✓ Grow your lean network with the LCS app

How to become an LCS Practitioner Member
